

# FOUNDATION

*at ST. JOSEPH of the PINES*

**FULFILLING  
PROMISES...  
ENRICHING LIVES**

The mission of St. Joseph of the Pines and Trinity Health is to serve together in the spirit of the Gospel as a compassionate and transforming healing presence within their communities.

The SJP Foundation works to support the mission of St. Joseph of the Pines by supporting the residents and colleagues that live and work in and on the seven campuses serving seniors of all income levels with short- and long-term care.

St. Joseph of the Pines offers a full aging service network with life plan communities, health care, and home and community based services for older adults as well as community outreach to those in need.

**MAKE A GIFT:**  
SJP Foundation  
100 Gossman Drive  
Southern Pines, NC 28387
